The Iver C. Weilbach Foundation

Donation policy 2026-27

1. Focus areas for donations 2026-27

a. To provide support to organizations and educational institutions that work to inspire, educate and develop the skills of young people for a future within the maritime industry in the broadest sense, and

b. To provide support to students and employees within maritime education and professions in developing their skills and knowledge of the maritime industry and strengthening their competencies, with the aim of enabling them to contribute to the future development of the maritime industry.

c. For all donations, including support for humanitarian and charitable purposes, emphasis is placed on a maritime connection, support for the UN Sustainable Development Goals, the degree of innovation, the international dimension, digital elements, and sustainability.
